To offer all students the opportunity to develop their knowledge, skills, abilities and attitude required in the hotels, for making a successful career in the hospitality industry. To develop the personality of students as required by the hospitality industry. To make students worthy citizens of the nation. It has been my conviction that an excellent education can be given to the students, though excellent infrastructural facilities and experienced student faculty. Our Library is enriched with books. The Internet facility helps students to browse through various international journals.

In the Service Industry, it is important to practice courtesy and manners, develop one's personality and communication skills and be disciplined. One must have the right temperament towards the service industry, an important aspect covered in the curriculum.

I am happy to record here that our efforts have paid ample dividends. Our students are well placed in the Hospitality Industry and the Hotels have recognized us as one of the good Training Centre in the Private sector.

The Hospitality Industry has always been linked to the Tourism Industry. The inherent strength of the Indian economy has led to an increased international tourists visiting India. As a result the Hospitality Sector is also expected to grow very fast in the coming years.

International Hotel Chains such as the Hilton, Starwood, Radisson and Accord have already started operations in India. Indian Chains like the Taj Group, Oberois, Welcomgroup and Leelas are expanding rapidly. The emergence of branded budget and economy segment hotels also present tremendous career opportunities. Entrepreneurs seeing the tremendous opportunities are investing in the Hospitality Sector too. In addition to hotels, jobs are also available in the Cruise lines , Airlines, theme parks, and international restaurant brands. Multinational Companies (MNCs) prefer Hospitality graduates for handling the front office and guest relations.
