MAHARASHTRIAN THEME LUNCH – ‘ MAII MARATHI – TUJHA SATTHI’

SCHMTT regularly organizes events such as food festivals and theme lunches with the aim of adding value to the curriculum. Right from the planning stage to the operational stage (Service, food production, housekeeping, front office and decoration) and ending with the closing, the students handle all the activities. Thus the students get a first hand and practical experience in organizing and handling events. Event Management is a potential career after graduating from a Hotel Management Course.

On the occasion of Ganesh Utsav, the theme this time was a MAHARASHTRIAN THEME LUNCH – ‘ MAII MARATHI – TUJHA SATTHI’ on 11th September 2013 at the campus in Bavdhan.
