The worship of the Sun is as old as civilization.

I bow to you, O Surya, the Son of Kashyapa Muni, the destroyer of darkness and all sins, whose luster is like that of red Jaswand Flower. The worship of the Sun is as old as civilization.

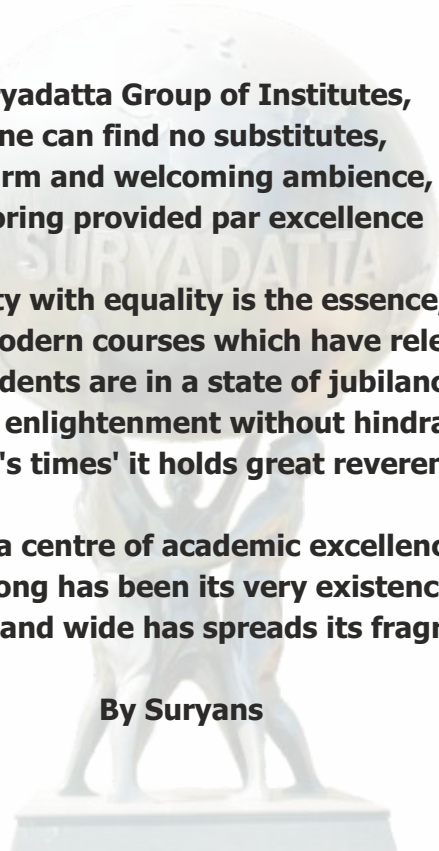

The Sun that awakens man from darkness, the Sun that is so brilliant that it cannot be seen by the naked eye evokes awe in the human mind. In the Rig-Veda, Surya has been described as the life (atma) of all creation. Surya is praised as the God of Gods (Rig-Veda 1.50.10). Homage is paid to Surya by chanting special names while offering him salutation-Surya Namaskara. These twelve names that we use to worship Surya serve to remind us of his glory and power and to be eternally grateful for his constant blessings in our life here on earth.

Dear Prof. Dr. Sanjay Chordiya & **Mrs. Sushama Chordiya**

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Blitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely, -

Dear Friends,

I have the honour and privilege of working as the Principal of this College. The College was established by Prof. Dr. Sanjay Chordiya, Founder President and Chairman of Suryadatta Education Foundation who cherished the dream of making this college a Centre of excellence in Hotel Management, Travel and Tourism. During the last 17 years, all the staff-members have been working hard to the task of realizing this dream. The Suryadatta Group has emerged as a reputed brand devoted to quality Management education by Industry leaders with proven track records.

I firmly believe in the mission of the College which is to offer all the students opportunities to develop their knowledge, skills, abilities and attitude required, for making a successful career in the hospitality industry. The aim is also to develop the personality of students as required by the hospitality industry and to make students responsible citizens of the nation. It has been my conviction that an excellent education need to be imported can be given to the students, through excellent infrastructure facilities & experienced faculty. Our Library is enriched with books. The Internet facility helps students to browse through various international journals.

In the Service Industry, it is important to practice courtesy and manners, develop one's personality and communication skills and be disciplined. One must have the right temperament which is towards the service industry, an important aspect covered in our curriculum.

I am happy to record here that our efforts have paid ample dividends. Our students are well placed in the Hospitality Industry and the Hotels have recognized us as one of the good Training Centre in the Private sector.

During these volatile and uncertain times when technology has taken main stage, people are working remotely. Industries are changing the way they work and produce. Companies are looking at hiring people with multiple skill sets, multi-tasking and people who can unlearn fast and learn even faster.
